***Elder Abuse Training – Asynchronous Module:** During the geriatric's rotation, it is expected that residents will complete a one-hour elder abuse training: Module #5, which can be found under Plan C: Brief Overview Curriculum at the following link: <https://keckschool.aomlms.com/course-catalog>. Residents must "register" to complete this. When you click on the link, you will need to "add to cart" this free training and create a log-in/password. Meanwhile, please also take the time to complete the survey at the end and then send a certificate of completion to Jennifer Reichstadt (jreichstadt@health.ucsd.edu).

****Dementia Care Aware Training – Asynchronous Module:** It is also expected that residents will complete the 90-minute Cognitive Health Assessment training as part of the California Dementia Care Aware Initiative.
